About us...

Braehead Foods is one of Scotland's largest independent food wholesalers who have been supplying Chefs across the UK and Europe with the finest quality ingredients for over 30 years.

Supplying everything from the finest Scottish game to quality chilled, ambient and frozen foods, we deliver across the UK daily.

Processing game birds in our AA Grade BRC Accredited Site, we can accommodate various finishing styles whether its oven ready, long legged or breast meat. As members of the British Game Alliance, Braehead Foods not only support the wild game industry, but are part of a quality assured programme where all steps from field to plate are being carried out in a safe and legal manner, ensuring compliance throughout. Our locally employed team have extensive training to ensure consistency and high standards of processing throughout the season to maintain high standards of finished product.

The Production Kitchen at Braehead Foods was established almost 10 years ago to produce bespoke products made for chefs, by chefs. Our team of expert chef's work tirelessly to produce a range of products made with the finest quality ingredients, and are constantly innovating and producing new products that will ensure your kitchen is up to date with all the latest food trends. Our in house technical team ensure that every product has passed rigorous testing and is supplied to customers with nutritional and allergen information.

With our focus on innovation, traceability, service, quality and reliability, you can rest assured that Braehead Foods offer our customers not only excellent quality produce, but produce that offers value for money and meets all the requirements of the foodservice industry.

Gressingham

A DASH OF INSPIRATION

*proud to be supplying
Braehead Foods*

We think that duck makes a meal much more memorable, it tastes wonderful, is one of the healthier meats you can choose and is far easier to cook than people think.

The Gressingham Duck® is a unique breed with more breast meat and far less fat, they are reared free to roam on Red Tractor assured farms in East Anglia.

Microclimate. maximum taste!

Arran's unique microclimate provides the perfect conditions for our happy cows to graze. Their naturally rich and creamy milk is then carefully churned in our small dairy beside Brodick Bay, to create our distinctive dairy ice cream.

PRODUCTION | KITCHEN

MADE BY CHEFS, FOR CHEFS

The Production Kitchen at Braehead Foods was established in 2010 to produce a vast range of high quality products, made by chefs, for chefs, using the finest quality ingredients.

Our aim is not only to supply excellent quality produce that you can be proud to serve, but to help save you time, and ensure product consistency.

Our in house development team keep a close eye on current trends and are constantly innovating on your behalf in order to help keep your offering up to date and on trend.

With our in house technical team, we ensure that every product has passed rigorous testing and is supplied to you with nutritional and allergen information ensuring you have all the information you may need for your customers.

Our Production Kitchen Development Team is led by Keith Shearer with support from our Technical Department managed by Karen Strickland.
